

Olivia (Livie) Owens

Located in Logan, UT • OsquaredE@outlook.com

PROFILE

Philosophy/Pre-Law student at Utah State University with experience in technical editing, research, graphic design, photography, digital projects, and creative production. Experienced in working independently with detailed information, verifying sources, managing complex projects, and turning ideas into polished finished work. Strong visual and written communicator with broad technical skills and a focus in detail-oriented work.

EDUCATION

Wasatch High School Heber, UT
High School Diploma | May 2026

Utah State University, Logan, UT
B.A. Philosophy, Pre-Law | Expected 2030

EDITORIAL, CREATIVE & DIGITAL EXPERIENCE

Technical Editor — International Code Council | 2024
Fire Inspector's Guide, 2024

Reviewed the *Fire Inspector's Guide* for grammar, accuracy, consistency, and clarity. Cross-referenced technical information and citations against applicable code materials, verified references, and identified discrepancies to ensure the finished publication aligned with authoritative source material.

Yearbook Editor & Head of Visuals | 2025–2026

Led the editorial and visual direction of a 14-person yearbook team. Edited written content, coordinated photography and visual material, developed page layouts and visual standards, and managed competing deadlines across a large collaborative publication.

Independent Digital & Creative Projects | Ongoing

Developed websites, a mobile application, accessibility-focused projects, and *Microcosm*, an independent interactive software project. Additional work includes photography, graphic design, data visualization, and digital media. Comfortable learning unfamiliar software independently and working across creative and technical disciplines.

Photographer | 2023–Present

Three years of experience photographing sports, portraits, and events, including photography for a local newspaper and community organizations. Experienced with planning shoots, composition, digital editing, and selecting and preparing finished images.

PROFESSIONAL EXPERIENCE

Team Member — Costa Vida, Heber City, UT | 2025–2026

Provided customer service and order processing in a high-volume environment while coordinating with kitchen and front-of-house staff. Trained new employees and maintained operational, cleanliness, and safety standards.

Drink Maker — Quench It, Heber City, UT | 2024–2025

Prepared specialty beverages, operated POS systems, managed inventory, supported sales, and trained new employees. Worked collaboratively to maintain efficiency and quality during high-volume shifts.

Front of House — Mountain Meals, Heber City, UT | 2022–2024

Handled customer orders, cash and POS transactions, farmers-market sales, employee training, and daily service operations in a fast-paced environment.

LEADERSHIP & PRODUCTION

Theater Director & Stage Manager

Directed three productions and stage-managed two, working with casts and crews of up to 30+ people. Served on theater council for three years, including one year as president. Additional production experience includes acting, set design and construction, costume design, and technical stage work across 12 productions.

Independent Instructor & Tutor

Provided tutoring and taught dance, movement, theater, and other skills to children and peers.

COMMUNITY & INDEPENDENT WORK

Two years of weekly volunteer service with the local library and one year with a local food bank, along with additional service through Operation Hope, community theater, and community arts organizations. Independent work has also included photography, tutoring, dance and theater instruction, babysitting, house and pet sitting, landscaping, event staffing, and venue security.
